

16 - 18 November 2023 ● ● ● Bistrița, TUCN University extension

## Conference aim

The International Conference of Nonconventional Technologies 2023 will be organized by the:

- [Technical University of Cluj-Napoca](#)
- [Lucian Blaga University of Sibiu](#)
- [Romanian Association for Nonconventional Technologies](#)
- [Romanian Association for Alternative Technologies Sibiu](#)

in the beautiful city of Bistrița, at the headquarters of the University extension of the Technical University of Cluj-Napoca. The event, now in its 22<sup>nd</sup> Edition, aims to showcase the most recent developments in the area of nonconventional technologies and their applications, in order to stimulate the exchange of valuable opinions and contributions by academia and industry.

## Theme & topics

The proposed theme for the current year is:

**Nonconventional Technologies: A continuously evolving paradigm**

The submitted papers are encouraged to address particularly, the following topics:

- Basic physical phenomena and processes of the nonconventional procedures;
- Experimental research for nonconventional processing technologies;
- Micro and nanotechnologies and materials for complex processes;
- Nonconventional and additive approaches for quick response manufacturing;
- Nonconventional technologies management and other nonconventional processes;
- Nonconventional forms of energy and low carbon systems;
- The intersection of nonconventional technologies and other domains.

## Publishing opportunities

Papers will be peer-reviewed, and the proceedings will be published in electronic format. An author must be registered for presentation. One author can have a maximum of two papers included.

Accepted papers will be published in special issues of the journals:

- **Acta Technica Napocensis - Series: Applied Mathematics, Mechanics, and Engineering** (<https://atna-mam.utcluj.ro/index.php/Acta>) - indexed in ISI-ESCI
- **Review of Nonconventional Technologies** (<http://revtn.ro/index.php/revtn>) - indexed in ProQuest, Ebsco & DOAJ, under evaluation to be indexed in ISI-ESCI.

## Important dates

Submission of full papers	September 30 <sup>th</sup> , 2023
Acceptance/review notification of papers	October 30 <sup>th</sup> , 2023
Submission of camera-ready version	November 10 <sup>th</sup> , 2023

## Conference fees

Conference participants	150 €
PhD student and industry attendants	70 €

## Conference partners
